

Transportation Specialist

 **Department:** Transportation  **Reports to:** Assistant Production Manager

 **Employment Type:** Non-Exempt

About the position:

The priority of STOCKMEIER Urethanes USA, Inc. is to operate in a safe and efficient manner with great attention to logistics and transportation of material. The Transportation Specialist is responsible for all aspects related to maintenance, certification of trailers & trucks as well as transportation of material in conjunction with production.

About us:

As a specialist within the STOCKMEIER Group, an organization rich in tradition, we have been developing and producing polyurethane systems such as coatings, adhesives, sealants and elastomers for a wide variety of industrial and sports applications since 1991. To this day, we have been family-owned and operated, providing us with a solid base for the considerable growth we have experienced in the past two decades. With production and research facilities located in Germany, France, the United States, and the United Kingdom, we employ over 180 employees, manufacture and develop over 1,500 products, and serve over 5,000 customers globally.

Responsibilities

- Transport material via tanker and trailer truck to and from STOCKMEIER Urethanes USA facilities
- Move trailers and tankers located at company facilities
- Inspect trucks for maintenance updates and be available to take equipment for certification and inspections
- Haul load from warehouse to warehouse
- Load and unload trucks
- Clean and organize trucks and equipment
- Follow all DOT protocol and requirements
- Maintain driving log
- Assist in plant when needed
- Mentor employees seeking to obtain a Class A CDL
- ISO Responsibilities:
 - Ensure understanding of the Quality Policy and Quality Objectives
 - Follow procedures to make sure product is transported, unloaded, and loaded correctly
 - Follow warehouse procedures

Skills, Experience, & Requirements

- Must have valid Class A CDL driver's license and HazMat certification (HazMat may be obtained after hire)
- Experience driving tankers is required
- Must be able to lift up to 50 pounds

Disclaimer:

The above statements are intended to describe the general nature and level, or work being performed by people assigned to this position. They are not to be construed as an exhaustive list of all responsibilities, duties, and skills required of personnel so classified. All personnel may be required to perform duties outside of their normal responsibilities from time to time, as needed.
